Community Web Access

Your community's records and information including real-time association financials are just a click away. With Community Web Access, you have the ability to view important documents such as:
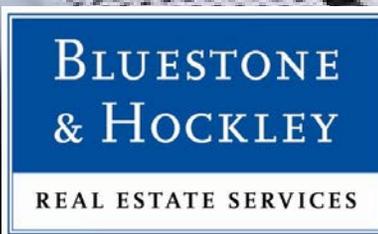

- Declaration/CC&R's
- Bylaws
- Amendments
- Plat Map/Site Map

- Resolutions
- Community Rules
- Certificate of Property Insurance
- Previous Year's Minutes

Accessing your community's documents is easy. Simply CLICK HERE and enter the following information in the log-in screen:

Username: auth

Password: auth84*

Please select "reports" and enter date parameters when generating financial reports. Also, select "all dates" in the "notes" tab to view all available community documents.
