### Board Meeting Info

Homeowners and Renters Welcome!

**When:** Tuesday, August 8, 2017  
**Where:** Autumn Meadows Park (at the picnic table closest to Jay St.)  
**Time:** 7 p.m.

### *Party in the Park*

Please join your neighbors for lemonade, snacks, and family fun on **Saturday, August 5<sup>th</sup>, from 2-4 p.m. at Autumn Meadows Park.** Hope to see you there!

### *ARC Form*

Homeowners, you are required to complete and submit an **Architecture Review (ARC) Form** and wait for approval before you change the appearance or function of your home. This **includes** paint, yard re-dos, fence building, satellite dish installation, and tree removal.

### Neighborhood Improvement

In response to last summer's bark dust fires in common area flowerbeds along 174th Ave., your Board and our Property Manager had the bark dust replaced with river rock. The result is attractive and much safer.

### Dog Owners

You are responsible to have your dog **on-leash** whenever he/she is out of your yard. You are always required to **clean up** your pet's waste and **deposit it in your own garbage can.**

### LAWN CARE

Single Family Homes: Please continue to water and weed your front lawns and flower beds. Street trees need to be trimmed up 8 feet for sidewalk traffic and street parking. Together we can keep our neighborhood attractive and property values high.

### Neighborhood Streets Update

Resident's traffic concerns have been gathered and compiled and your Board will do its best to complete and submit a Safety Campaign Request Form to Washington County. Thank you to all who emailed concerns.
