Homeowner Association Newsletter

Volume 17

October 2017

Issue 10

This will be our annual budget meeting. Each year your H.O.A. Board meets to review the previous year's budget and attempt to plan for our community's future financial needs. As always, homeowners and renters are welcome.

When: Tuesday, October 10, 2017
Where: Cedar Hills Recreation Center
11640 SW Park Way
Time: 7 p.m.

NEIGHBORHOOD SAFE STREETS UPDATE

In August we submitted a Safety Campaign Request form and heard back from Mike Mills, a Washington County Traffic Engineer. He subsequently brought in a radar trailer to determine traffic speed and volume on 175th. The trailer has now moved on and we are waiting to hear back from Mr. Mills about possible solutions to our community's traffic concerns.

Autumn Doughnut Social

Everyone is invited to enjoy doughnuts, coffee, and hot chocolate.

Saturday, Oct. 7th, from 9:30-11 am.

We'll set up a folding table on the walkway at 175th and Jay St.

Hope to see you there!

DOG OWNERS

One of your Board members recently responded to resident complaints by cleaning up dog waste from the "alleyway" area between the three story townhouse groupings. There were several piles, some fresh, some quite old. Dog walkers and owners in our community are always and everywhere **required** to bag up their dog's waste for deposit in their **own** garbage cans.
