Crawlspace Ventilation Reminder

Please remember to remove blocks you put in crawlspace vents to conserve energy in the winter. Clogged vents prevent moisture from escaping and mold, mildew, and dry rot can result.

Traffic Troubles Possible Solution

Are you concerned about how increased traffic has affected our neighborhood streets? Lawton and 175th are certainly more challenging to navigate. Parking is more difficult.

Are you willing to become involved in Washington County's Neighborhood Streets Program? Here's a link to the NSP website so you can read about how the process works:

<http://www.co.washington.or.us/LUT/Divisions/TrafficEngineering/NSP/index.cfm>

Please email your traffic concerns and possible solutions to me at lois_ann@comcast.net and I'll compile a list, then complete and submit a Safety Campaign Request form.

After our request has been reviewed and the county collects data for 8 weeks a NSP representative will conduct a neighborhood meeting. I am willing to host this meeting. However, without sufficient feedback and participants to attend that meeting we can't initiate the process. Please **email by July 24th**. I'll keep you informed.
