

# Homeowner Association Newsletter

**Volume 17**

**December 2017**

**Issue 12**

The Board of Directors will not meet in December. The next Board Meeting is scheduled for Tuesday, January 9, 2018, 7 p.m., at the Cedar Hills Recreation Center.

## Street Sweeping Clarification

A resident recently contacted our Bluestone and Hockley representative regarding Autumn Meadows street clean-up. Our community lies outside Beaverton city limits, so our streets are swept by Clean Water Services.

According to their website, they sweep "all curb and gutter streets" once each month. Will they sweep up piles of leaves raked from our lawns and left in the street? "Please do not pile leaves or other yard debris which can lead to blocked storm drains and slick roads", per the C.W.S. home page. Go to [www.cleanwaterservices.org](http://www.cleanwaterservices.org) for leaf disposal information.

## Monthly Payment Coupon Update for Townhomes and Emergency Procedure Clarification for Everyone

Be sure to read all of the correspondence Bluestone and Hockley included with the Annual Assessment notification. The yellow page outlines and clarifies emergency on-call phone numbers and procedures, including who to call for what type of emergency. The blue page explains a change in the monthly dues payment process. Bluestone and Hockley will no longer automatically send payment coupon books to townhome owners. They also introduced the [B. & H. Facebook page](#).

*We wish every resident of Autumn Meadows a safe and happy holiday season!*
